Love this book. It’s a nice companion to the series. The reviewer upset about the answers needs to
look in the back of the book. This book is full of trivia and quotes from the series, lots of fun!

The first half of the book is the questions...the second half has the answers.

Really enjoyed this book and as a fan of the show it was extra fun to learn so much. Well written and a great gift for any fan of the series.

I know all the answers so it is fun for me.

Much thicker than I expected. All questions are first with the answer key in the back. Great gift for the bbb lover.

It was not what I had hoped it would be.

Great reference. Really enjoying it.
