Synopsis

VÃ-ctor RodrÃ-guez NÃºÃ ez is one of today's most outstanding Cuban writers, although he has lived and worked outside of the island for nearly two decades, first in Nicaragua and Colombia and, since 1995, in the USA. The present collection, based on his selected poems With a Strange Scent of World: First Anthology, 1978-1998 (Havana, 2004), offers a representative sample, as well as a rewriting, of his early poetic work, full of vivid images from the poet's youth and of both rural and urban Cuba.
