C. W. Von Gluck: *Orfeo* (Cambridge Opera Handbooks)

Synopsis

This book explains how and why Gluck's historically important and best-loved opera *Orfeo* came into existence, and shows why it has retained its popularity. The work is placed in its context of Gluck's 'reform of opera', an artistic movement involving actors, dancers, designers, writers and philosophers, as well as musicians and librettists. Patricia Howard and her fellow contributors describe how the opera has been reinterpreted throughout the past two hundred years from its first performance. Differing twentieth-century views based on practical experience of the work are put forward by the conductors John Eliot Gardiner and Sir Charles Mackerras, the singer Kevin Smith and the English National Opera music consultant Tom Hammond.

Book Information

Series: Cambridge Opera Handbooks

Paperback: 156 pages

Publisher: Cambridge University Press; 1st Ed. edition (September 30, 1981)

Language: English

ISBN-10: 0521296641
