# How NOT To Practice Law - In The Office And In The Courtroom

## Synopsis

This is the perfect book for any law student or new admittee in private practice, a law firm, or the public sector. It separates what really goes on in actual practice from what is depicted on popular legal-oriented television shows, and can save a new lawyer many hours and embarrassments over learning lessons the hard way. This is the stuff that's not taught in law school. Sections covered include what NOT to do in the office when interviewing a prospective client, what NOT to say in a lawyer's letter, what NOT to do in court selecting a jury, where NOT to sit in court, plus many more don't-dos accumulated from interviews with respected members of the bench and bar over many years of law practice
