To Keep A Promise (Buckskin Chronicles Book 1)

Synopsis

The power of a promise made and a promise kept is realized when Jeremiah Thompsett comes of age and accepts the responsibility of fulfilling his mentor's long-held dream. Raised by an escaped slave in the midst of the Arapaho nation in the Wind River mountains, he now must track down the slave catchers that killed his adopted father and stole their cache. The Vengeance Quest takes him and his companions through the mountains and across the nation to fulfill the promise of freeing the family of slaves held dear to his mentor and adopted father. Accompanied by Broken Shield and Laughing Waters, his Arapaho friend and his sister, the trek through the mountains and to Fort Union is fraught with hazard and ambush. It is here he is joined by Scratch, the crusty mountain man who joins him on his journey downriver and across country to find Ezekiel's family and to seek to free them.

A beautiful page-turning and action filled story of the old west with its minute-to-minute danger and a glimpse into the sophisticated old south where slaves kept the plantations running smoothly. The

promise is to free a family and it is expensive and not easily done legally with letters of manumission and a certainty that no one will attempt to enslave them again. A fast-paced story of sacrifice, duty to honor, and Yankee ingenuity and well worth the time.

I have never read a book by B.N. Rundell, but I must say I have really enjoyed this book. I was sad that Jeremiah lost his entire family and Ezekiel was killed. But was glad to see him keep his word and free family. I will be reading more book by this author. I want to read Star Dancer.

"I really enjoyed the Promise book. It was a fast pace read, leaving me thinking there would be a follow up book with that character. Like visiting with an interesting friend, wanting to hear more of his adventures."

Great story. Really love a good revenge tale now and then. this one did not disappoint. Masterfully told, with great setting, vivid characters and a solid plot. Enjoyed it from start to finish. Highly recommend!

I would like to recommend this book to anyone who wants to read a very interesting and exciting book where the action never stops. I am finding these books to be very difficult to put down. I will be looking forward to reading the next book from this author.

This story engrossed my heart from beginning to end. I'm wondering now how the relationship between trey and his best and closed friends will turn out.

Warm story about a time long past about keeping your word and being all you can be. Following a lot of the way I was raised

Well written! The writer puts you there with the characters and with exceptional visuals! Enjoyed it immensely.
