Customer Reviews

This book is a great tool for test prep. Typically, E&Es are not my favorite supplement; however, this book was an exception. One thing I would like to see changed, it that the author include some sample exam essays like most of the other E&Es.

Arrived on time. It’s a great book to understand the federal courts process.

Helpful

This book informed me as to the current state of the law, and relevant cases. I am grateful for this series.
