Customer Reviews

He leÃdo sÃlo los primeros capÃtulos, y no me ha gustado para nada la traducciÃn, que es muy bÃsica, a veces nada acertada y sin sentido. Parece sacado del traductor de Google. Me ha decepcionado mucho.

SerÃa Ãtil que se apoyara en grÃficos sencillos para algunas de las explicaciones de las puntadas que contiene el texto.

I think left pictures and more explanation, it's too simple, when you buy a product like that you wanna learn at least do one thing

easy to read and excellent for beginners. The cost is reasonable. Terminology is clear and specified for understanding. Good book
