Am rica En La Profec a (Spanish Edition)

Synopsis

La historia está llena de las ruinas de grandes civilizaciones. Muchos creen que América ha llegado, tal vez sobrepasado, el cenit de su grandeza - que está destinada a convertirse en un poder mundial de segunda categoría. Millones más creen que América está al borde de un colapso económico y de la ruina moral, y que puede llevar al mundo a un Armagedón nuclear, a la misma vez que trata de aguantar su posición de poder y prestigio. Aquí se encuentran predicciones fascinantes acerca de América y del mundo entero, y unas conclusiones sorprendentes de lo que nos ofrece el futuro.
