The Verandah Poems

Synopsis

The Verandah Poems is both a departure and a return for Jean `Binta' Breeze, who left her village in Jamaica to become an internationally renowned Dub poet and storyteller. This is a book of coming home and coming to terms, of contemplation rather than contention - of mellow, musing, edgy poems drawn from the life and lives around her. It is Breeze's first new collection since *Third World Girl: Selected Poems* (2011), and was published on her 60th birthday. Photographs by Tehron Royes.
