Customer Reviews

My almost 3 year old didn't really take to this book. I feel like the humor is way over her head. The illustrations are nice but the story isn't very engaging. I think she'll enjoy it more in a few years.

Absolutely adorable, my daughter is four and a half, and she absolutely loves this book, she asks her dad to read it even though he doesn't speak any spanish, but it is a very easy reading and not too long. Perfect for a bedtime story. The drawings on the book are adorable and the storyline very funny.

Amusing, instructive and entertaining for children and adults. I've bought this book three times as gifts because I like it and the children who've received it like it too. Each time I get both English and Spanish versions.

this is one of the most creative, fun books that can be taken on many levels - from simply quirky cows to a political statement on 'workers' conditions. The Spanish translation is particularly delicious
