Hormigas (Insectos) (Spanish Edition)

Synopsis

Crawl underground with Ants! This title covers everything from what ants look like to what they like to eat. Complete with a More Facts section, bolded glossary terms, and diagrams pointing out specific body parts. Young readers will gather basic information about ants through easy-to-read, simple text alongside stunning full-bleed photographs. Translated by native Spanish speakers. Aligned to Common Core Standards and correlated to state standards. Abdo Kids is a division of ABDO.

Grade Level: Kindergarten - 1

Customer Reviews

I have bought so many books from this publisher. I have basically created a Spanish classroom library with these books. They are great non fiction books that my 2nd graders love. They are also AR books which is a big plus. I recommend all of the books from the publisher.
