# The World's Greatest Small Arms: An Illustrated History

## Synopsis

Small arms have developed hugely since the introduction of the machine gun in the 1870s. Magazine-fed rifles, submachine guns, automatic pistols and, later, assault rifles and personal defense weapons have changed the face of infantry warfare, offering a range of weaponry designed for both the specialist and novice. *The World's Greatest Small Arms* features 52 weapons from the late 19th century to the present day. The book includes the best-known weapons from throughout the modern era, from the Gatling gun, SMLE rifle and Luger pistol, to the Uzi, FN MAG and the M110 sniper rifle. Great iconic weapons, such as the Colt M1911 pistol, Bren Gun, MP5 submachine gun, and Steyr AUG rifle are featured, as well as timeless classics still in use today: the M2 Browning 50 cal, AK-47 and M16 rifle. Each weapon is examined over four pages and is illustrated with a color profile artwork and photographs, along with a description of the weapon's development and history, key features and a full specifications box. Including more than 200 artworks and photographs, *The World's Greatest Small Arms* is a colorful guide for the military historian.

## Book Information

Series: World's Greatest

Hardcover: 224 pages

Publisher: Amber Books; Ill edition (August 19, 2015)

Language: English

ISBN-10: 178274262X

ISBN-13: 978-1782742623

Product Dimensions: 1 x 9 x 12 inches

Shipping Weight: 1.6 pounds (View shipping rates and policies)
