The Salt-Wind: Ka Makani Pa'Akai (Wayne Kaumualii Westlake Monograph)

Synopsis

This postcolonial collection of poetry is the first by Native Hawaiian poet, Brandy Nalani McDougall. Of the collection, Samoan novelist Albert Wendt writes: "Once in a while a collection of poetry comes along and grabs your eyes, heart, and na'au and makes you see and feel more deeply than you've done in a long, long time. For me, Brandy Nalani McDougall's collection is one of those. And I keep rereading it. Her poems have a unique and hugely inviting surface simplicity and elegance that immediately hook you into them, into their profound and complex depths of imagery, lyricism, political and historical savvy, feeling, thought and vision. These are woven together with unusual wisdom, perception, control of language, and intense aloha for her people and islands. You have to read this collection. It will lift you and make you feel you are more."
