El Color De Mis Palabras (Spanish Edition)

Synopsis

When life gets difficult for Ana Rosa, a 12-year-old would-be writer living in a small village in the Dominican Republic, she can depend on her older brother to make her feel better--until the life-changing events on her 13th birthday. A 2001 Caldecott Honor Book.

Best Sellers Rank: #96,516 in Books (See Top 100 in Books) #10 in [Books > Libros en espaÃ±ol > Infantil y juvenil > Literatura > Colecciones de Relato Corto](#) #28 in [Books > Libros en espaÃ±ol > Literatura y ficciÃ³n > Cuentos Cortos](#) #35 in [Books > Libros en espaÃ±ol > Infantil y juvenil > Asuntos](#)

Age Range: 10 - 13 years

Grade Level: 5 - 8

Customer Reviews

The story is well written and even well told. The writer has talent for children's and junior books. It is a good recreational reading book. Now my purpose for this book was to have my Latin bilingual class read something relevant to our Spanish speaking community. My students did a huge research about the Dominic Republic before reading the book, so they knew a lot about the economical and political problems as well as the culture. We were very disappointed on the book, the story line didn't connect at a deeper level with the setting. Also the cultural aspects of the character were flat. My students and I felt it was a good recreational book, but didn't met our expectations. We were looking for a meaningful Hispanic book, and all we got was an stereotypical narrative about how tourist look at us. I know the author feels connect to the Dominican culture, but there is a lot of the cultural spirit missing that "realismo magico" of the Caribbean.

Una excelente lectura, especialmente para adolescentes y jÃvenes. Contiene un vocabulario fÃcil

de comprender y una historia muy encantadora. ¡La recomiendo!

Great book for Spanish 3 and 4 students. had thr kids buy it and they love it. I read it and created a vocab list to go with it. It is not difficult to read but it does challenge them a bit in certain areas.
