El Eterno Femenino : Farsa (Spanish Edition)

Synopsis

El tema de la mujer, de su situación en un mundo dominado por los hombres, es el asunto tratado en esta farsa feminista impregnada de buen humor y aguda picardía que transita en lo irreverente. Obra única en la teatralística mexicana, muestra la preocupación central de Rosario Castellanos vertida en su lírica y en su prosa.

Customer Reviews

every character has a unique personality which is isolated by the personality of the author but it's sort of small

It is a very good book from one of my favorites Mexican writers.

My book came in brand new with plastic covering, and wrapped in a cardboard wrapping. I am very pleased with the arrival time of my book.

The book arrived on time, as the vendor promised and it was in good shape also. Thank you for being honest.

I hated this book. My university teacher made me read it.. I am a classic traditional woman.. I consider myself a God-fearing woman.. this book is.. like. anti Christ. first off, it twists the Bible.. if

you are an athiest, you'll love this book, because it considers the Bible to be written by men & not God. I am a God fearing woman, so of course, I hated it.. for me, it twists God's Word.. and I just can't take it seriously because of that. If you are an athiest, or liberal.. rebellious type person who hates society and is an angry person.. angry with men.. not yet willing to forgive them for the evil they have done to us.. just.. go read this .. you'll love it.
