Customer Reviews

By the time you are one third of the way through this casebook you will be perturbed with each mention of apple mash flowing passed Country Lodge. To the authors: be a little creative and come up with more than one illustrative problem. Some of the cases seemingly were included only to add pages or the authors included an excerpt far in excess of what was needed.

This casebook is a very clear approach to understanding the elements of each remedy and uses great case law to supplement your understanding of the elements.

worked out fine!!
