Tsung Mi And The Sinification Of Buddhism (Studies In East Asian Buddhism)

Synopsis

This study of Tsung-mi is part of the Studies in East Asian Buddhism series. Author Peter Gregory makes extensive use of Japanese secondary sources, which complements his work on the complex Chinese materials that form the basis of the study.

Customer Reviews

An absolute must for anyone who wants to do an indepth study of Buddhism in China. Clearly explains the different ways of thinking in the various Buddhist schools in China. It is a shame we don't see more books of this quality from other authors.

This is a masterful and scholarly study of the development of Buddhism during the Sui and T'ang dynasties. Highly recommended.
